

Advertise You're Business and Help a Great Organization Put Local Kids on the Diamond!!!

Thank you so much for taking the time to learn more about our organization. The Northeast Baseball and Softball Association is a non-profit youth sports organization in Wichita, Ks. Currently, our Board of Directors consists of nine volunteer individuals that have played, coached, umpired, and loved the game of baseball. It is through this love of the game that they are committed to sharing baseball with area youth in a manner which is safe, educational, and fun. We strive to build the most desirable organization in east Wichita for that purpose. The organization receives its funding through registration fees, donations, and sponsorships. If you would like to be more involved in Northeast Baseball by being a league sponsor, contact Mark Cass at (316) 258-8500 or by email at mcass.nebaseball@gmail.com. We have several advertising packages that could definitely help you promote your business to potential clients.
